

1. Identification of the substance/Preparation and of the company/undertaking:

Trade name : Al-Emlaq® Super Gel - Pine
Street address : Hasan&Mohammad Ali Smadi co.
Al Mafraq – Jordan
Jaber Highway Street
Thagret Al Gub Colony
Telephone: 00962 799079900
Fax: 00962 791602974
P.O.Box 4145 Amman 11131 Jordan

Use of the substance /preparation:

Multipurpose Active Cleaner & Freshener - For kitchens, Bathrooms, Ceramic, Carpets, Cars and all cleaning purposes.

2. Possible hazards:

The product does not have to be labeled in accordance with the EU Preparations Directive 1999/45/EU

3. Composition/Information on ingredients

Ingredients: Aqua, Alkyl benzene Sulphonic Acid, Pine oil, Sodium Hydroxide, Colour.

CAS Numbers for components:

Components	CAS NUMBERS
1-Pine oil mixture of these components :	
p-menth 1-en-8-ol	98-55-5
P-mentha-1,4(8)-diene	586-62-9
Dipentene	138-86-3
Pin -2(3) -ene	80-56-8
p- mentha-1,3-diene	99-86-5
p- mentha-1,4-diene	99-85-4
Camphene	79-92-5
p-cymene	99-87-6
2- Sodium Hydroxide	1310-73-2

4. First aid measures

After skin contact:

Wash off with water

After eye contact:

Rinse the open eye with flowing water for several minutes and seek medical advice.

After swallowing:

Rinse mouth with water and drink plenty of water, seek medical advice if necessary.

5. Fire-fighting measures

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.

This Document is CONFIDENTIAL and may contain legally privileged information. If you are not the intended recipient of this document, please telephone or e-mail us immediately, dispose this message and do not read, copy, distribute, disclose, or otherwise use this document.

Safety Data Sheet According to 1907/2006 EC

Al-Emlaq® Super Gel-Pine
Version 2- Revision Date 20.02.2021

Flash point (method used) G.O.G: NONE

Flammable limit: Not Flammable

Extinguishing Media: NONE

Special Fire Fighting Procedures: NONE

Unusual Fire & Explosion Hazards: NONE

6. Accidental release measures:

Measures for environmental protection:
Dilute with water ...

Measures for cleaning / Collecting: Rinse off residue with copious amounts of water.

7. Handling and storage

Handling

The product it self doesn't burn, no special requirement

Storage

Requirements for storage areas and containers: To maintain product quality, do not store in heat or direct sunlight. Keep in a dry, cool and well ventilated place.

8. Exposure controls and monitoring / personal protective equipment:

Does not contain significant quantities of substances with limit values that require monitoring during use.

General protective and hygiene measures:
Keep away from reach of children

Personal protective equipment: not need

Protection of hands: not need

Additional information for protection of hands:
No tests have been carried out .of our knowledge and the information available

Eye protection: not need

9. Physical and chemical properties:

General information:

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. Safety Data Sheet According to 1907/2006 EC

Al-Emlaq® Super Gel-Pine
Version 2- Revision Date 20.02.2021

Appearance : gel
Color : green
Odor : pine odor

Change of state:

Boiling point : Above 100 °C
Solidification point : 0 °C
Flash point: : n.a.
Ignition temperature : n.a.

Explosion limits:

Lower: : n.a.
Upper: : n.a.

Density : n.a

Water solubility : Completely soluble

pH value (concentrate) : 5 - 9 (concentrate)

Molecular Weight : 360 ± 2 (depending on sulphonated of Linear Alkyl Benzene Sulphonic Acid)

10. Stability and reactivity

Does not contain any AOX according to the formulation

Thermal decomposition:

None if stored and used correctly.

Hazardous reactions:

None if used according to intended purpose.

Dangerous product of decomposition:

None if stored and used correctly.

11. Toxicological information

Irritation:

No data available.

Toxicological tests:

No data available.

Sensitizing effects:

No data available

Other information:

Classification according to the method of calculation.

Local effects:

Possible slight eye irritation

12. Ecological information

Behavior in waste water facilities:

The product does not cause any biological oxygen depletion or malfunctions in waste water facilities.
The surfactants in the product are over 90% biodegradable. Does not contain any phosphates.

13. Disposal considerations

Recommendation

Residual liquids can be disposed of in a waste water facility according to local official regulations.

14. Transport information

Land transport:

Not a hazardous cargo according to ADR/RID and GGVS/GGVE.

Sea transport:

Not a hazardous cargo according to IMDG/GGV Sea.

Air transport:

Not a hazardous cargo according to ICAO/IATA.DGR

15. Legal regulation

This product has not be labeled in according with EEC directive

Hazard symbol: N/A

Hazard identification: -

Water hazard classification: no water hazard

16. Other information

Hasan&Mohammad Ali Smadi co. assumes no responsibility of injury to the user or third person proximately caused by the material if reasonable safety procedures are not adhered to as stipulated in the data sheet. The information is based on our present knowledge and experience and intended to describe the products with a view to the safety precautions to take. It does not represent a guarantee of the properties of the product.
